## [5] CREDIT CARD PAYMENT - LOCAL BANK ISSUED ONLY

We accept local Visa and Mastercard credit card payments. Credit card payments can be made online through a link that will be sent by Finance upon request.

We also offer a credit card instalment payment scheme for holders of DBS / POSB credit cards. At the time of processing, the full amount of the invoice is blocked against the cardholder's credit limit but is not actually charged to the card. The block against the credit limit decreases over the set number of months as the monthly instalments are charged to card by the bank and paid by the cardholder. This payment can only be made at the Finance Office by appointment. Terms and Conditions may apply.

Please note that credit card payments are available for individuals only and cannot be made by companies.
